Routine Notes

[To be used only for notes requisitions etc not intended for permanent record]

It is reported that the estimate for sinking the well at ~~Chikma~~ Kanhal has been revised to Rs 3700. In view of the poor finances of the M.L. Bd they have resolved to contribute only Rs 1000 though it is usual to recover half the cost of the work in such cases from the local bodies concerned.

2) As the resources of this supply are slender the Rev. Board has recommended that the entire balance of Rs 2710 may be met out of the Rural Water Supply Funds.

In the circumstances reported by the R.C. his recommendation referred to above may perhaps be sanctioned.

11) The sinking of a drinking water well
in Chikhamanahalla was
sanctioned in the ^{1st} quarter 16742 at
an estimated cost of Rs 950

Now the estimate has been revised to
Rs 3710. We should have agreed to

pay a sum of Rs 1000 out of the
above estimate, inclusive of the sum
of Rs 475 already paid by them

The cost of the work as sanctioned in
1942 was proposed to be met both by
the school & the Rural water supply
fund in equal proportions

12) Whatever maybe the reasons under
which it was ordered that the cost equal
to half of the cost should be met out of
the Rural water supply fund, it may not
be considered to hold good now, as the well
is sunk within the 1st limit & the expense
should be met in equal proportions by both
the school & the water supply fund. But out of Rural water
supply fund 2000
The financial condition of the school is
quite sound. It can afford to pay a sum
of Rs 1855 equal to half the revised estimate
the balance of Rs 1855 may be met
out of the amount available under

water supply grants during the current year. A sum of Rs 38000 is available out of water supply grant for the year.

13) Hence it is for order, ^{as to} whether in modification of the fix dated

16.7.1942, the revised estimate

for Rs 37107 for sinking the well may not be sanctioned, the copies being not by the Chief Commissioner & the Govt in equal proportions in the cases mentioned above.

Sir,

Subject - Rural Water Supply - Well at Chiknaikan-
halli - Sanction of -

With reference to Government Order No L 518-20/M 1 73-41-7 dated 16th July 1942, sanctioning the sinking of a drinking water well in Chiknaikanhalli Town at an estimated cost of - - - Rs 950/- , the cost being met from the Municipal and Rural Water Supply Funds in equal proportions, I have the honour to state -- that it is reported by the Deputy Commissioner, Tumkur District, that the estimate has been revised and the revised estimate works out to Rs 3,710/- It is stated that the Municipality have - - expressed their inability to meet half the cost of the revised estimate viz , Rs 1,855/- but have agreed to contribute Rs 1,000/- in all inclusive of Rs 475/- already paid

As the resources of the Municipality are slender and the well is an urgent necessity to the Town, the Deputy Commissioner recommends that the entire balance of Rs 2,710/- may be met out of the Rural Water Supply Funds In the circumstances, I request that sanction of Government may be obtained to the Deputy Commissioner's recommendation as a special case

A copy of Tumkur Deputy Commissioner's letter No R F C 4540/41-42 dated 11-1-1945 is enclosed for information

Repairs of drinking water well in Chikmagalur

According to Government Order No L 518-20/Ml.73-41-7
10.7.1944, sanctioning an estimate for Rs.950/- for the
work referred to above near the shrine Tattiah's Tomb in
Chikmagalur Town, I have the honour to state as follows -

The work is in progress. According to the Government Order the cost of the work viz, Rs 950/- has been paid from the Municipal and R.W. Funds in equal proportions. The estimate for the work has since been revised. The revised estimate scrutinised by the Executive Engineer comes to Rupees 3,710/- The Municipality when asked to contribute half the revised estimated cost viz., Rs 1,855/- plead its ~~inability~~ inability to contribute the same. They resolved to contribute only Rs 1,000/- inclusive of Rs 475/- already paid. A copy of their resolution is enclosed for perusal. The Municipality in their resolution request that the balance of the contribution viz, Rs.855/- may be waived.

The well in question is an urgent necessity to the town. The resources of this Municipality are slender. In the circumstances, Rs 1,000/- may be accepted as the Municipal Contribution and the balance of cost may be met out of R.W Funds as a special case.

- 2 -

I request that Government may be moved to accord sanction to the above proposal
